DETAILS:

For purposes of brevity, the Los Angeles Sobell Committee will hereinafter be referred to as the LASC.

All informants designated by a "T" symbol in this report have furnished reliable information in the past unless otherwise indicated.

I. HEADQUARTERS OF THE LASC

[REDACTED] 82
As of May 24, 1957, the headquarters of the LASC continued to be located at 468 North Western Avenue, Los Angeles, California.

II. ORIGIN

[REDACTED] 82
The Los Angeles Committee to Secure Justice for Morton Sobell, which was formerly known as the Los Angeles Committee to Secure Justice in the Rosenberg Case and was sometimes referred to as the Los Angeles Rosenberg-Sobell Committee, adopted its present name, Los Angeles Committee to Secure Justice for Morton Sobell, also known as the Los Angeles Sobell Committee, about August, 1954. The avowed purpose of this committee is to have MORTON SOBELL transferred from Alcatraz Prison, to secure him a new trial and to eventually secure his complete release.

Both the Los Angeles Committee to Secure Justice in the Rosenberg Case and the Los Angeles Committee to Secure Justice for Morton Sobell were, from their inception, dominated and controlled by the Los Angeles County Communist Party (LACCP) through the assignment of Communist Party (CP) members to work on the committees and to direct the activities of the committees. In March, 1955 critical discussion by CP members was that the Los Angeles Committee to Secure Justice for Morton Sobell should be reactivated and revitalized in a more aggressive way than it was in the past, and that its activities should be expanded in terms of securing maximum mobilization of forces to secure SOBELL's transfer from Alcatraz Prison and a new trial for him.

It was announced that the prime attractions at the dinner and rally would be 1) Senator WILLIAM LANGER, Republican of North Dakota and 2) MORTON SOBELL's rabbi at Alcatraz. It was definitely stated that LANGER had agreed to come to the conference and to speak. . . . It was announced that as much press coverage as possible would be obtained, especially in the New York papers.

[REDACTED]

It was announced that it was the intention of the LASC to make February 22, 1957 the day to flood President EISENHOWER with a brief on behalf of MORTON SOBELL from all over the world.

A fund-raising affair of the Los Angeles Area Chapter of the LASC was held on February 10, 1957 at 1835 Lucretia Avenue, Los Angeles. This affair was to raise funds to buy a ticket for a prominent person for the \$100.00 per plate dinner to be held on February 22, 1957. X

A rally sponsored by the LASC was held on February 22, 1957 at the Embassy Auditorium, 9th and Grand, Los Angeles. Approximately 800 persons were in attendance. Slides were shown concerning steps being taken to free MORTON SOBELL from Alcatraz Prison. WARREN K. BILLINGS was chairman of the rally.

It is noted that WARREN K. BILLINGS was a defendant in the MOONEY-BILLINGS trial and was sentenced to death in connection with the 1916 Preparedness Day Bombing in San Francisco, California. His death sentence was commuted and he was pardoned in 1939 by Governor CULBERT L. OLSEN.

At this rally, BILLINGS introduced TED JACOBS, National Public Relations Representative for the Sobell Committee who made the pitch for money. BILLINGS presented a contribution from the East Bay area of Northern California. There were a few large contributions, [REDACTED]

[REDACTED] BILLINGS recounted what he had thought upon entering Folsom Prison in connection with his own incarceration and speculated at some length at what SOBELL might have been thinking when he entered Alcatraz. A tape recording of a former speech of Senator LANGER was made. In this tape recording, Senator LANGER stated that he was proud to represent the greatest state of the Union and related his visits to North Dakota Prison during his term as Attorney General of that state. LANGER stated that the Office of Attorney General of the United States should be as greatly concerned with protecting the innocent as it is in the prosecution of wrongdoers. LANGER stated that he is a member of the Senate Judiciary Committee and that he has visited Government prisons and that it is his recommendation that Alcatraz should be closed down permanently. LANGER also stated that he is convinced that MORTON SOBELL should be given another hearing, since too much evidence is in existence of his innocence to be ignored.

b7d

LANGER referred to the loyalty of HELEN SOBELL and her activities on behalf of her husband. At the conclusion of this tape recording, LANGER introduced HELEN SOBELL and as LANGER was speaking HELEN SOBELL entered the stage at the Embassy Auditorium. HELEN SOBELL began her speech by thanking Senator LANGER and expressed the wish that a message be sent to him by the Assemblage expressing good wishes for a speedy recovery. She stated she looks forward to the day when Senator

LA 100-41648

LANGER and MORTON SOBELL can stand together on the stage of the Embassy Auditorium. HELEN SOBELL stated that a letter was sent to President EISENHOWER by 107 educators and ministers of all faiths urging that SOBELL be granted executive clemency or a new trial. She spoke of Dr. LOUIS SANCHEZ PONTON, ex-diplomatic representative from Mexico to many European countries, a one-time Minister of Education in the Mexican Cabinet and a Senior Professor of Law at the University of Mexico. According to HELEN SOBELL, PONTON had important information to present concerning SOBELL's unlawful return to the United States from Mexico by the Mexican Government. HELEN SOBELL stated that in spite of these difficulties, PONTON had been granted a visa without qualification and will present his testimony at a hearing in New York on March 4, 1957.

HELEN SOBELL stated that without the support of many thousands of people all activities of the Sobell Committee would not be possible. She stated that financial support and meetings and letters are constantly needed. She read a letter from MORTON SOBELL in which he said that it was hard for him to visualize the meeting at the Embassy Auditorium. Informant advised that HELEN SOBELL stated that MORTON SOBELL, through his attorney, who visits him at the prison, is directing some of the strategy and is the one largely responsible for bringing PONTON to this country. HELEN SOBELL stated that in MORTON SOBELL's letter, he wondered what the Government fears so much that they are reluctant to grant him a new trial. HELEN SOBELL concluded by stating that her husband will never break even though he is subjected to constant inhuman pressures and asked that each member of the audience devote some small portion of each day to a thought of her husband alone in his cell and work each day on some project no matter how small which will insure his return to freedom.

At this rally, postcards were distributed addressed to President EISENHOWER. These cards urged President EISENHOWER to exercise his executive authority by asking the Attorney General to consent to a new trial for MORTON SOBELL or granting him executive pardon or commutation.

A fund-raising party to benefit the Valley Chapter of the LASC was held on March 7, 1947 at 5233 Leland Avenue, San Luis Obispo, California. Approximately 150 persons were present. At this party, WIDGE NEWMAN spoke on behalf of the Sobell Committee. She said that for the benefit of anyone present who was not familiar with the case, SOBELL had been sentenced to 30 years in Alcatraz, even though the only witness used against him was concerned with self-exoneration and could furnish no proof. She stated that no proof of a crime had ever been presented and the accusation was association with others, namely ETHEL and JULIUS ROSENBERG who planned to commit a crime in the future.

LA 100-41648

NEWMAN detailed the events of the hearing held on March 4, 1957 in New York at which time Judge MEDINA had insisted that the Government's attorney state specifically whether or not SOBELL had been deported illegally from Mexico. According to NEWMAN, the Government's attorney said that SOBELL had been deported legally from Mexico. NEWMAN stated that this was refuted by the testimony of Dr. LOUIS SANCHEZ PONTON. NEWMAN went into great detail on the actual physical arrest of SOBELL at his residence.

IX. LEGAL ASPECTS

[REDACTED]

[REDACTED] made available a press release issued by the National Committee to Secure Justice for Morton Sobell in New York. This release is set forth in its entirety as follows: b7D

"We are sending you the notes on which the eminent Mexican attorney and former government official, Dr. Luis Sanchez Ponton, based his oral argument on the Morton Sobell case before the U. S. Court of Appeals on March 5 in New York City. They can be quoted in full or in part. The Court has reserved decision.

"Dr. Sanchez Ponton was formerly Minister of Education of Mexico, Ambassador from Mexico to numerous countries, and is now senior law professor at the University of Mexico and an authority on constitutional and international law. His argument, which he presented to the Appeals Court in support of Morton Sobell's request for a new trial, has bearing not only on the Sobell Case itself but on issues of importance to the United States and Mexico.

"Please note that in addition to Dr. Sanchez Ponton's argument, Morton Sobell's New York attorneys argued on other aspects of Sobell's efforts to prove his innocence of the charge of conspiracy to commit espionage."

X. SUBVERSIVE RAMIFICATIONS

A. Connections with the
Communist Party (CP)

A meeting of the [redacted] Los Angeles County Communist Party (LACCP) was held [redacted]. At this CP club meeting, considerable concern was expressed about the Socialist Workers Party's (SWP) active interest and participation in the LASC. It was pointed out that the CP feels that all Trotskyites are out to destroy any good work that can be done. This matter presented a problem as to how it should be handled inasmuch as it was felt that the impression should not be conveyed that the LASC is being run by the CP. It was decided to refer this problem to a higher authority in the CP.

LA 100-41648

B. Connections with the SWP

The SWP has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

[REDACTED]

[REDACTED]

[REDACTED] At this meeting, it was pointed out that the "witch hunts" that are being held are frame-ups in which the witnesses for the prosecution are a bunch of lying stooges. WIDGE NEWMAN spoke on the "frame-up" of SOBELL. WIDGE NEWMAN told of MORTON SOBELL's attending New York City College, his marriage and children and then stated that he got a Civil Service job in Washington in which job he worked and met JULIUS and ETHEL ROSENBERG. WIDGE NEWMAN stated that MORTON SOBELL was going to be arrested by the FBI so he got in his car and drove to New York to the ROSENBERGS and left a brief case, in which he had some documents he said were too hot to keep but too valuable to destroy because he had been followed by two men in a car all the way from Washington. NEWMAN stated that after SOBELL lost his job, he and his wife and children went to Mexico City in 1945. At this time, according to NEWMAN, the FBI was trying to trump up a charge to imprison him as a Communist advocating the overthrow of the Government. In Mexico they spotted him living in an apartment house and the Mexican Security Police visited him and told him that he was JOHNNY JONES wanted in Acapulco for bank robbery. This was the charge to give the FBI the right to extradite him for they do not allow extradition in Mexico on anything of a political nature. Being established as a bank robber made SOBELL an undesirable in Mexico. According to NEWMAN, police officers beat him and his wife up and brought them to the border and turned them over to the FBI. Charges were cooked up against him. He was tried and convicted on false testimony. NEWMAN explained that now the LASC is fighting for his release. B7D

[REDACTED] WIDGE NEWMAN of the LASC was introduced as a speaker. She spoke about activities of the LASC and its success in having Senator WILLIAM LANGER participate in the Committee's efforts to free MORTON SOBELL, now serving a 30-year sentence in Alcatraz. She told of a \$100.00 per plate dinner scheduled for February 22, 1957. 670

LA 100-41648

NEWMAN stated that the LASC is planning a large function on February 22, 1957 at the Embassy Auditorium, 9th and Grand, Los Angeles and requested the members of the LAJCFC to take tickets for this function and also coupon books with a picture of Senator LANGER on it to raise money for the Committee. APPENDIX

AMERICAN CIVIL LIBERTIES UNION

The FBI has never conducted an investigation of the American Civil Liberties Union. It is noted that the Fifth Report of the California Senate Fact-Finding Committee on Un-American Activities (1949) notes the following: "American Civil Liberties Union: Cited as heavily infiltrated with Communists and fellow travelers and frequently following the Communist Party line and defending Communists, particularly in its Los Angeles unit. (California Committee on Un-American Activities Report, 1948, pages 108-12)."

In connection with the foregoing citation the following is noted: In January, 1955, an official of the California Senate Fact-Finding Committee on Un-American Activities advised that a representative of the American Civil Liberties Union contacted the Committee to discuss the above citation. At that time this individual advised that two members of the American Civil Liberties Union in Los Angeles had been expelled because of their pro-Communist sympathies. On May 27, 1955, a representative of the California Senate Fact-Finding Committee on Un-American Activities advised that the status of the American Civil Liberties Union, insofar as the Committee's evaluation is concerned, has not been changed and that the Committee's past characterizations of the American Civil Liberties Union remain the same.

In connection with the above, it is noted that the 34th Annual Report of the American Civil Liberties Union (for the year 1954) re-affirms the anti-Communist and anti-Fascist policy of the American Civil Liberties Union and maintains also that it will defend the civil liberties of all persons regardless of any political party, organization, denomination, race or nationality to which a person may belong.

DOWNTOWN CLUB

An informant, who has furnished reliable information in the past, advised on October 31, 1955 that the Downtown Club is a former Independent Progressive Party Club which became an autonomous organization during the Spring of 1955 after the Independent Progressive Party had lost its place on the ballot. Its principal activity is to sponsor a weekly forum which frequently features Communist Party members, and it follows the program set up by the Independent Progressive Party.

The Independent Progressive Party has been described by the California Committee on Un-American Activities in its 1948 report, page 41 as follows: "Among typical mass organizations that are victims of Communist domination."

EMMA LAZARUS JEWISH WOMEN'S CLUBS, aka Emma Lazarus Council of Jewish Women

An informant, who has furnished reliable information in the past, advised on May 21, 1956, that the Emma Lazarus Jewish Women's Clubs of Los Angeles are affiliated with the Emma Lazarus Federation of Jewish Women's Clubs having National Headquarters in New York, New York, which, until the early part of 1951, were known as the Emma Lazarus Division, Jewish People's Fraternal Order. According to the informant, the Emma Lazarus Jewish Women's Clubs, Los Angeles, about 1952 and early 1953 were also referred to as the Emma Lazarus Council of Jewish Women.

The Jewish People's Fraternal Order has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

JEWISH INFORMATION SERVICE (LOS ANGELES JEWISH CULTURAL AND FRATERNAL CLUBS; FRATERNAL MEDICAL PLAN OF THE CALIFORNIA FRATERNAL SERVICE ASSOCIATION)

An informant, who has furnished reliable information in the past, advised on July 3, 1956 that the Jewish Information Service was formed about January, 1954 in Los Angeles for the purpose of continuing "cultural" activity of the International Workers Order. The Jewish Information Service guides the activity of the Los Angeles Jewish Cultural and Fraternal Clubs. Prior to March 4, 1956, the Los Angeles Jewish Cultural and Fraternal Clubs were identified as the Los Angeles Jewish Cultural Clubs, this group being formerly known as lodges of the Jewish People's Fraternal Order. The Jewish Information Service and the Los Angeles Jewish Cultural and Fraternal Clubs are currently active in the Los Angeles area.

The Fraternal Medical Plan of the California Fraternal Service Association was formed about January, 1954 for the purpose of continuing the activity of the Jewish People's Fraternal Order Medical Plan. Since that date, the functioning of the Fraternal Medical Plan of the California Fraternal Service Association has been integrated into the operation of the Los Angeles Jewish Cultural and Fraternal Clubs inasmuch as the service provided by the Fraternal Medical Plan of the California Fraternal Service Association is made available almost exclusively to members of the Los Angeles Jewish Cultural and Fraternal Clubs; further, effort is made to have members of the Los Angeles Jewish Cultural and Fraternal Clubs also become members of the Fraternal Medical Plan of the California Fraternal Service Association.

The Fraternal Medical Plan of the California Fraternal Service Association is currently active in the Los Angeles area.

The International Workers Order and the Jewish People's Fraternal Order have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

D.T. 6-5-57

Report on the Lower East Side Guardian Forum
held Wednesday evening, June 5, 1957

[REDACTED]

James Aronson, editor of the National Guardian was the main speaker. The forum was based on a "Meet the Press, Question and Answer Period," meeting. Paul Greenberg introduced Aronson. Before doing so Paul made a few announcements. He mentioned the Sobell Party, to be held June 6, 1957; the coming American Forum for Socialist Education: forum to be held June 12 at the Community Church, 35th Street at Park Avenue; and a Guardian sponsored weekend to be held June 21 to 23 at a mountain resort.

Paul introduced Aronson as a founder of the of the Guardian newspaper, as a man with varied experience in the newspaper business working for such paper as the New York Post and the N.Y. Times.

Paul then asked Aronson a few question concerning the founding of the newspaper, its staff, and its financial status or how it maintain itself financially. Aronson replied that it began as an idea between himself & Cedric Belfrage while in the Army in 1945. The staff developed and John T. Mc Manus joined them as General Manager. In 1948 16,000 copies of the paper were mailed out to paper

of left sympathies and 4,000 responded, stating they would subscribe to the paper. The initial financial outlay was presented by Josh Gitt, a progressively minded publisher from York, Penna. The paper today has about 35,000 subscribers and most of the cost of printing the paper comes from the subscription. Additional monies come from parties, outings, donors etc.

Paul then asked Aronson the position the Guardian takes on events occurring in the domestic & foreign scene that would effect the Left.

Aronson replied that the Guardian tries to be a source of information rather than a political sounding board. It tries & has succeeded in staying clear of the cleavages & splintering that have split the left in the past few years. The Guardian tries to bolster unity among the various Socialistic Sects but it does not act as a sounding board for any of them.

Paul then asked how the staff of the Guardian maintains itself and how disagreements are compromised especially on a very touchy subject such as Hungary & Poland. Aronson replied that the staff meets each week and discusses what will comprise the paper and in most cases disagreements are worked out without too much difficulty. Aronson said the Anna Louise Strong Case & the Tito split with Russia were the only two times that major disagreements split the Guardian staff. The Tito incident was more serious because it occurred in 1949 when the paper was in its formulative stage.

A few other questions were asked by Paul concerning the division in the Left and how the basis for unity must be laid before any serious political action can be taken. Paul also asked Aronson if the Guardian was a socialist paper rather than a progressive one. This supposedly was asked Paul by a Michael Baker, several weeks before. Aronson laughed at this question and said

MEMO
NY 100-130323

that even though the Guardian's staff proably believed in Socialism, this did not mean that the paper was a socialistic one. No faction of the Socialists parties was ever given support over another.

Questions were then asked from the floor. A woman asked if the Guardian was going to distribute the many pictures they took of the Prayer Pilgrimage in Washington D.C. last month. Aronson replied this would perhaps be a good idea if the cost would not be prohibitive. He said he would bring this up with the staff and the Art Editor.

Frank and Paul Alexander asked questions concerning the Russian situation and how it effects the future of American socialism. Paul Alexander said he got out of the Communist Party three years ago because anti-Semitism. Aronson replied that all socialist must realize that Russia made itself over from a backward country to the second most powerful in a period of less than forty years. Being socialist we must realize this but also being American we cannot overlook the mistakes made by Russian leaders while doing this. Here Aronson made reference to the American Forum and stated that the group would not have gotten off its feet if not Muste & Mc Manus prevented the old cleavage argument from cropping up such as Hungary, civil liberties, the twenty-Congress etc. The Guardian in its paper hopes to point out the way without stating a preference for any group or activity. The remaining question were opinions. The lawyer Bob asked Aronson what he meant when he said that Socialism is inevitable in this country. Aronson gave a very weak answer to this one. The forum broke up about 11:00 PM.

[REDACTED] has furnished a circular letter dated June 19, 1957, from the Los Angeles Sobell Committee signed by WIDGES MENHAM (IRMA VIVIAN MENHAM, Chairman of the Committee). After referring to the ROSENBERG clemency plea of four years ago the letter states that many leading citizens are making known their support for a new trial for MORTON SOBELL including Senator WILLIAM LANGER, RUFUS DAVIS, former Governor CULBERT OLSON, I. V. STONE, Dr. LINUS PAULING, and others. In making a plea for contributions the letter states "Some time in the next few days we will file our recommendation for a new trial before the United States Supreme Court. Recent decisions of the Supreme Court favorable to civil liberties afford us every hope that a full hearing in the SOBELL case can be ordered. In the weeks to come thousands of community leaders throughout the country will be visited, receive material and a request to add their name and support for Supreme Court review. New evidence continues to be obtained, and investigations are being intensified. ~~We~~ WITH OUR will we keep faith in the combination of truth and the American people - we come to you for help." Los Angeles Sobell Committee

JUNE 19, 1957

We address you in the name of Justice.

Four years ago, today, perhaps you were among those who raised the international plea for clemency for Ethel and Julius Rosenberg because you opposed capital punishment or because you became convinced of reasonable doubt or innocence. Perhaps you read a copy of the trial transcript, attended a meeting at a neighbor's house, heard your minister or rabbi speak on the case, saw the facts in a newspaper or received committee material. Whichever way it happened - you became one of literally millions of Americans who acted on behalf of Justice.

Today, a listening America has begun to hear the facts in the case of Morton Sobell, and such standing citizens as Senator William Langer, Elmer Davis, former Governor Gilbert Olson, J. F. Stoner, Dr. Linus Pauling, and hundreds of religious leaders, educators, editors, and professionals are making their support for a new trial known.

Sometime in the next few days we will file our motion for a new trial before the United States Supreme Court. Recent decisions of the Supreme Court favorable to civil liberties afford us every hope that a full hearing into the Sobell case can be ordered.

In the weeks to come, thousands of community leaders throughout the country will be visited, receive material and a request to add their name and support for Supreme Court review. New evidence continues to be obtained, and investigations are being intensified.

With our complete faith in the combination of truth and the American people we come to you for help. We ask you to remember how important you are to the fight for justice because you know what the facts can do.

You can free Morton Sobell.

in China under CHIANG KAI-SHEK. According to SCHUMAN, there was no question but what economic conditions were much better in China under Communism. He also claimed that under Communism, the Chinese people enjoy greater freedoms.

MARZANI heatedly discussed the indictment against SCHUMAN. MARZANI emphasized that SCHUMAN wrote the facts as he saw them and, as a publisher, had the right to do so.

MARZANI called DULLES a "stupid bastard." He claimed that the US, by sending arms to Nationalist China, had actually aided the Communists to conquer China. He explained this by saying that many of the Nationalist troops, after receiving American arms, defected to the Communist cause and used those American arms against what remained of the Chinese Nationalist troops.

MARZANI read some of the charges in the indictment against SCHUMAN. He attempted to make the charges ridiculous. For example, SCHUMAN was charged with describing the US Government as internally corrupt and described officials of the US Government as reprehensible. At this point, MARZANI shrugged his shoulders as if to say there is nothing wrong with that charge. MARZANI stated that SCHUMAN was charged with printing in his periodical that the US engaged in the use of bacteriological warfare in Korea. MARZANI did not state that he felt that the charge was true. However, he related that when he was associated with OSS in Italy, two men flew to Rumanian and returned with tons of data without anyone knowing about it. By relating this story, MARZANI tried to get across the point that it would have been possible for the US to have used bacteriological warfare in Korea with only a very few persons having first hand knowledge of it.

NY 105-21613

MARZANI stated that the whole case against POWELL-SCHUMAN was an attempt to stifle the reporting of facts, and implied that SCHUMAN and FOWELL were being made scapegoats.

MARZANI offered to those present the book "Assignment in China" free, if they would join the Liberty Book Club with which he was associated. The moderator (unidentified) suggested that anyone who took advantage of this offer ought to contribute \$2 to the Powell-Schuman Defense Fund.

Admission to this affair was \$1. No collection was taken up. However, those in the audience were urged to send contributions to the Powell-Schuman Fund, Box 202, Cooper Station, NY.

On February 14, 1957 [REDACTED] advised that a press release dated December 12, 1956 from CSJMS was entitled "Appeals Court Asked to Free Morton Sobell Because of Fraud by Prosecutors". The press release [REDACTED] stated that SOBELL was fighting for an opportunity to establish his innocence and prove his trial was fraudulent. It stated new evidence proves SOBELL was never legally deported from Mexico, that SOBELL and his wife and child were illegally kidnapped from Mexican soil by prosecution agents without knowledge of any Mexican authorities, and that the prosecution resorted to fraud to give a false impression of SOBELL as a fugitive. b7D

"SOBELL's attorneys quoted the Appeals Court finding that the prosecution did in fact claim that SOBELL had been legally deported from Mexico."

The press release stated that SOBELL's attorneys challenged U.S. Attorney PAUL WILLIAMS to either refute or accept the validity of the new evidence. It stated that WILLIAMS had stated before the lower court that the prosecution never meant to imply that SOBELL was "legally deported".

The press release stated that SOBELL's attorneys quoted Chief Justice WARREN of the U.S. Supreme Court as saying: "The dignity of the U.S. Government will not permit the conviction of any person on tainted testimony... The Government of a strong and free nation does not need convictions based upon such testimony".

It also set out the following article: 670

It stated "Here is your chance - in a new and exciting way - to tell the facts and to raise funds for Morton Sobell's legal and public appeals".

They charge that the prosecution brutally kidnapped SOBELL and his family from Mexico - then falsely claimed SOBELL was trying to flee. They charge that prosecutors Irving Saypol - now a New York

It is public knowledge that SACCO and VANZETTI, SCOTTSBORO BOYS, TOM MOONEY, WARREN K. BILLINGS and ROY EATON have been defendants in trials in which the CP has displayed an unusual interest.

"McCARTHYISM" is a word which has been used by the Communist press over a period of years in such a way that its meaning is synonymous with "witchhunts" and "inquisition".

[REDACTED] was interviewed by SAS MARTIN CARLSEN and RUSSELL P. CURTIS. [REDACTED] 870

[REDACTED] He advised he believed MORTON SOBELL did not get a fair trial and was generally critical of U.S. Courts and juries, stating one needed money in order to take full advantage of appeals and other guarantees which the law afforded accused persons. When asked what his reaction would be if he discovered that money donated to the SDSC may have gone to the CP or used for other purposes, he stated he would be satisfied if some of it went to expenses necessary for SOBELL's defense. b7D

[REDACTED] advised he based his belief that MORTON SOBELL did not have a fair trial on "documentation" in the book "The Judgment of Julius and Ethel Rosenberg" by JOHN WEXLEY. NY 100-107111-Sub C

The party attracted more men than women. As a matter of fact women were at a premium. Most of the men were in their late twenties and up and most of the women were in their early thirties and up. There were about 10 mixed couples in attendance - negro man and a white woman. About twenty well dressed negroes were in attendance. There was much inter-racial dancing and petting. Most of the negroes left the party with a white woman.

The talk during the party was a mixture of politics, art, and the theater. It was definitely a village crowd or a village dominated crowd.

AMERICAN FORUM FOR SOCIALIST
EDUCATION

100-107111-2516

[REDACTED]

The meeting was presided over by ALICE WIDA, who asked LOUISE ZITO to report on a boat trip held for the GORELS. Mrs. ZITO reported that about 3,000 people were on the trip, and that the affair was very well planned, and that she had met some very nice people. It was decided to have an affair for the GORELS in the near future—a supper, if possible.

[REDACTED]

JOSEPH BARNES gave a report on activities. He reported that civil rights are to be acted on the following week by the U. S. House of Representatives, and that those in attendance should all write their Congressman, ALBERT MORANO.

It was decided that in view of the lateness of the date, that a letter should be written to "Our Congressmen", and should be signed by all those at the meeting. The letter was written by JOSEPH BARNES and GIL LNU, and signed by all present. It was mailed by ALICE WIDA.

JOSEPH BARNES introduced CLIFFORD McAVOY, who stated that the American Forum for Socialist Education had been started in New York City, and that all Progressives in New York were participating. McAVOY said that the forum was not a political party. All members of Top Committee were secured by invitation, including representatives of the Communist Party (CP) and a member of the "Catholic Worker".

McAVOY stated that the forum had conducted three successful May Day meetings, and that people had been turned away, due to lack of room and halls.

McAVOY stated that the boat cruise which had been reported by LOUISE ZITO had been a big success because all parties sold tickets.

McAVOY said that the forum had no program or constitution, but was trying to map the future of socialism in America. He said that forums would be established in all cities in the near future.

Refreshments were served, and singing was led by GIL LNU with his guitar until 12:30 a.m.

Administrative Data

It should be noted that information has been received from [REDACTED] who has furnished reliable information in the past, [REDACTED] to the effect that on 5/26/57 LOUISE ZITO took a cruise from New York City to Bear Mountain, New York. The cruise was sponsored by the Committee to Secure Justice for MORTON SOBELL. b7D

It would appear that the term "GOBELS" referred to by the informant in the above report, actually should be SOBELLIS. However, [REDACTED] orally advised on 6/24/57 that he understood it to be GOBEL. b7D

Rally: [REDACTED] furnished the following report on the May Day Rally: **B7D**

"5/5/57

"A meeting was held at the Central Plaza at 7th Street and 2nd Avenue on the evening of May 1, at 8:00 PM. Sponsored by the Committee for Socialist Unity. [REDACTED] On entering the Lobby, I followed the crowd to a small meeting room, with a capacity of 500 plus. This room I learned later was the overflow room for the main hall that seated about 1000-1200 people. In all a total of some 1500 to 1800 people attended. **B7D**

"The meeting was opened at approx. 8:30 by a chairman whose name I did not get. Earl Robinson entertained with the aid of two others, one white male, one negro female. As the speakers were finished in the main room they were brought down to the smaller hall.

"The first speaker was Dorothy Day, editor of the Catholic Worker. She spoke in general about the problem of segregation in the South. She gave personal examples of her findings on a recent trip south.

"The second speaker was Bert Cochran, editor of the American Socialist. He spoke of fostering a new left wing movement through the younger generation. He said that the radical way was the only way of getting things done.

"He also spoke on segregation in the south and equal rights for the Negro. Also of disarmament throughout the world.

"Myra Tanner Weiss, Vice-Pres. candidate of the Socialist Workers Party was the third speaker. She spoke of the rise of the worker. She cited the revolution of 1917 as the "great example". She stated that the southern worker was oppressed because of the lack of union representation and of big business domination and oppression. She spoke of the civil rights problem, the Smith act and the "injustice" done to Morton Sobell.

"John McManus editor of the National Guardian spoke next. McManus read a letter by Norman Thomas recently printed in his paper. He also spoke of the rise of the left wing movement and the radical movement. Also commented on the Smith Act and the Communist Control Act.

"Conrad Lynn, Lawyer for NAACP. spoke as unofficial representative of NAACP. He spoke on the problem of segregation.

"George Blake Charney, Chairman of the Communist Party in the State of N.Y. spoke after a short Intermission. He spoke on the communist party and its "oppression" by the Smith Act and the Communist Control Act. He also made comment on the persecution of the communist party by the late Senator McCarthy.

"During the intermission a collection was taken up. It was to be intended to aid Morton Sobell. However, it was changed and given to the chairman of the meeting for the fight of human & civil rights.

NY 100-149659

"At this point the meeting was broken up and sent to the main hall. On entering DR. W.E.B. DuBois was speaking. His comments I could not hear well because of the noise of the incoming audience. He finished in a few minutes and the Rev. A.J. Muste began to speak.

"From my vantage point I could not hear his words. The audio system did not carry. [REDACTED]"

Informants of the Salt Lake City Office have furnished information that HAVEN PERKINS is friendly with FRANCIS D. WORMUTH, Professor, University of Utah, [REDACTED]

b7d

The Bureau's attention is directed to Salt Lake City letter dated 12/10/53, entitled "DR. ROY VICTOR PEEL, UNIVERSITY OF UTAH RESEARCH CRIME RECORDS". Information is indicated in that letter that Dr. A. RAY OLPIN, President of the University of Utah, in a discussion with SAC A. CORNELIUS mentioned he hoped the time would never come when censorship would be applied to the classroom.

[REDACTED] University of Utah, on 7/11/57 reported to this office that about two years ago the Faculty Council of the University of Utah considered a recommendation made by Dr. WORMUTH, a member of that group, which was printed in the school paper, that instructors of the University of Utah refuse to furnish any investigative agency with information as to specific classroom discussions or remarks made by the students or instructors, inasmuch as this would violate principles of academic freedom. [REDACTED] advised that the FBI was not specifically mentioned in this regard, that the recommendation was not given approval by university officials, and therefore the matter was dropped.

This office receives complete cooperation from the University of Utah officials and members of the faculty. Agents have experienced no difficulty in securing information. In fact, the opposite has been the case and the employees and faculty members have gone beyond what might normally be expected of them in assisting the Bureau. As the Bureau is aware, there is a rule in this office that only certain designated Agents may contact professors in the Political Science Department of the University of Utah as the result of the FEEL matter.

Relative to PERKINS teaching a combined class at the Brigham Young University, Provo, Utah, [REDACTED] on 6/20/57 advised that HAVEN PERKINS was scheduled to teach a class at Brigham Young University on the morning of 6/17/57.

[REDACTED]

It is possible that Professor REEDER may have been responsible for inviting PERKINS to teach at Brigham Young University, although this has not been definitely established. This latter matter will be discussed with former SA W. CLEON SKOUSEN, who was formerly associated with the Brigham Young University, and the Bureau will be advised of any information he might have or develop relative to this matter.

[REDACTED] furnished information to the Los Angeles Office that subject committee forwarded material to the "Hollywood Citizens News" concerning a book written by JOHN WEXLEY, entitled "The Judgment of Julius and Ethel Rosenberg". Included with this material was a reprint of a review of WEXLEY's book appearing in the December, 1955, issue of "The Western Political Quarterly", a publication of the Institute of Government, University of Utah, Salt Lake City, Utah. The review, which was signed by FRANCIS D. WORMUTH of the University of Utah, dealt with the ETHEL and JULIUS ROSENBERG case and concludes as follows:

b7d

"This means that the Government had no case against the Rosenbergs. Obviously the Department of Justice cannot answer all criticisms, but unless it answers Mr. WEXLEY's we must conclude that the Rosenberg case is our Dreyfus, outdoing the first in sordidness, cruelty and terror."

On August 2, 1956, T-1 reported that Professor FRANCIS D. WORMUTH of the University of Utah signed an appeal to President DWIGHT D. EISENHOWER on behalf of MORTON SOBELL.

The 1956 Salt Lake City Directory lists FRANCIS D. WORMUTH as a Professor of the University of Utah, Salt Lake City, Utah.

[REDACTED] T-2 advised that [REDACTED]

[REDACTED] TED JACOBS of New York City, New York, a member of subject organization. JACOBS at this gathering gave a short history of the proceedings of the espionage trial involving ETHEL and JULIUS ROSENBERG and MORTON SOBELL. He explained that evidence against these persons had been manufactured and that SOBELL had been kidnaped from Mexico by FBI Agents. JACOBS reported that many prominent attorneys, people in the United States and Mexico, as well as other lands, were working hard in an effort to free MORTON SOBELL, who is presently in prison as the result of the espionage trial.

[REDACTED]

This informant reported PERKINS told of the perjured testimony of HARRY GOLD. PERKINS spoke of the testimony of an admitted espionage agent, ELIZABETH BENTLEY. PERKINS explained that the testimony of DAVID GREENGLASS had been biased. T-3 stated that PERKINS' line of contention is that whether one believes that the ROSENBERGS and SOBELL were guilty or innocent is quite apparent, at least to PERKINS, that they were not tried in a fair manner. Informant stated that PERKINS is of the opinion it is quite possible that the three witnesses mentioned above may not have realized what they were doing. PERKINS stated, however, it was quite apparent that ROY COHEN, government prosecutor and later an aid of Senator JOSEPH McCARTHY, did this for his own personal gain and knew full well there was no evidence of any action of either the ROSENBERGS or of SOBELL that could really be construed to be of a traitorous action.

[REDACTED]

On November 28, 1956, T-7 reported that HAVEN PERKINS on November 25, 1956, spoke before a group of forty people at the Unitarian Church, Salt Lake City. PERKINS reported to those attending this meeting that there had been very little evidence produced against SOBELL in the trial, that the FBI wanted to make a "big splash" and "catch a big fish" but, since the big fish had gotten away, they had to settle for MORTON SOBELL. PERKINS stated the

government had no grounds for bringing SOBELL to trial and therefore he and others of subject organization were fighting for a new trial in regard to MORTON SOBELL.

as to any visits he had made at Brigham Young University. Mr. SKOUSEN stated he is certain there are no professors or instructors at Brigham Young University who are in sympathy with the Communist Party and he believes that whoever was responsible for inviting PERKINS to instruct classes at Brigham Young University had done so innocently. Digest of Current Communist Activities

The Committee to Secure Justice for Morton Sobell is one of the most active and extensively organized Communist fronts now operating in the United States.

Morton Sobell is serving a 30-year prison term for his part in the war-time espionage for which Julius and Ethel Rosenberg were executed in 1953.

The Morton Sobell case will go before the Supreme Court this fall. The Communist-front organization which was formed originally to defend the Rosenbergs as well as Sobell is banking on the recent decisions of the Supreme Court to obtain a reversal of Sobell's conviction or at least a new trial. For this purpose, the Committee to Secure Justice for Morton Sobell is now soliciting signatures to a brief amici curiae to be presented to the Supreme Court.

The Committee to Secure Justice for Morton Sobell, hereinafter referred to as the CSJMS, has just published a 4-page tabloid newspaper dated August 1957.

The national offices of the CSJMS are located at 940 Broadway, New York, N.Y. The addresses of branch offices are as follows:

Los Angeles Sobell Committee
468 North Western Avenue, Los Angeles, California

Bay Area Council of Sobell Committees

Chicago Sobell Committee

Syracuse Sobell Committee

St. Louis Sobell Committee

The CSJMS has prepared film strips for showing in homes, and

100-10711-2348

The new CSJMS newspaper features pictures of Elmer Davis, Gilbert Olson (former governor of California), Prof. Linus Pauling, and Lewis Mumford, under the caption "Eminent Americans Appeal to President."

The CSJMS is playing up the Jewish alleged angle in the Sobell case. It has enlisted a large number of rabbis for the support of its objectives. The names of the following supporters who are rabbis are listed in the CSJMS newspaper:

Reyairtel 7/3/57 in which it was planned that a "Morton Sobell Day" would be held at the SWP Mountain Spring Camp, Washington, N.J., featuring ROSE SOBELL, mother of MORTON, as principal guest. It was to be jointly supported by the SWP and the CP from the Philadelphia area.

On 7/30/57, PH 83-S*, who has furnished reliable information in the past, advised that GUNTHER FUHRMAN, SWP member, contacted JOSEPH ROBERTS at CP Headquarters, Philadelphia, 7/30/57, to report that arrangements had been made for "the outing" to be held 8/10/57 at Washington, N.J. FUHRMAN quoted transportation costs as \$3.00 each for adults and \$1.00 each for children.

It is believed FUHRMAN was referring to the "Morton Sobell Day" previously planned. JOSEPH ROBERTS is CPED District Executive Secretary, and a member of the CPUSA National Committee.

Page four of this pamphlet suggests that the reader contact the Committee Headquarters at 940 Broadway, New York City or one of the committee offices at Los Angeles, San Francisco, Chicago, Syracuse or St. Louis. There was no mention of such committee operating at Seattle.

The Washington Committee for Protection of Foreign Born is an adjunct of the American Committee for Protection of Foreign Born, the latter of which has been designated pursuant to Executive Order 10450 by the United States Attorney General

The Socialist Worker's Party has been declared pursuant to Executive Order 10450 by the United States Attorney General.

On June 20, 1957, Confidential Informant T-3 advised that JOE HANSEN, national Socialist Worker's Party functionary, in defining a pattern of Socialist Worker's Party activity [redacted] mentioned that the Socialist Worker's Party faces a special problem in Seattle in working on such committees as the one for SOBELL, in that the Communist Party appears to be allowing such committees to die out of existence in that area. b7D

The Communist Party has been declared pursuant to Executive Order 10450 by the United States Attorney General.

On June 24, 1957, Confidential Informant T-2 stated that a report to all National Committee members of the Socialist Worker's Party, which was dated March 11, 1957 at Seattle, described efforts of the local Socialist

Worker's Party group to work into the SOBELL Committee as "difficult". The informant advised that the report attributed the lack of success to the inability to develop a friend within the committee, which they regarded as an almost dormant Communist Party organization locally.

On July 12, 1957, Confidential Informant T-4 advised that TERRY PETTUS, Smith Act convict, stated his intention to confer with "KELLY" CANAFAX to develop plans for assembling a committee to meet Mrs. SOBELL, should she tour through Seattle in the near future.

KELLY CANAFAX on April 20, 1957 was active as a participant in the Communist Party South King - West Seattle Section Conference held at 8648 106th Avenue, Southeast, Kenndale, Washington, according to Confidential Informant T-5 on April 29, 1957.

Confidential informants familiar with Communist Party and Socialist Worker's Party activities were contacted in August, 1957, but provided no additional information concerning subject organization.
